## Attachment A

As of May 15, 2020, Shore Beauty School (“Shore”) had **86** students enrolled in classes, of which **84** were eligible for Federal Title IV financial aid. Shore has taken the position that all students who are eligible for Title IV financial aid and acknowledge their financial need under the guidelines of the CARES Act, should qualify for Higher Education Emergency Relief Funds (“HEERF”). As it is difficult to fairly assess each students’ individual circumstances and relative financial needs in adopting the COVID pandemic, Shore is treating each eligible student as having equivalent need. Shore has disbursed a total of **\$105,814** HEERF student funds to all of the 84 Title IV eligible Shore students. As of July 1, 2020, each student has received an equivalent amount of HEERF funds, or **\$1,259.69** per student.

### **STUDENT ACCEPTANCE OF GRANT FROM CARES ACT - HIGHER EDUCATION EMERGENCY RELIEF FUND**

On March 27, 2020, President Trump signed the CARES Act (“Act”), the largest economic relief act passed in U.S. history. In response to the COVID-19 pandemic, the Act’s goal is to preserve jobs and stabilize the economy by providing direct assistance to small businesses, industries, higher education institutions and students. The Act has allocated \$12.56 billion to a Higher Education Emergency Relief Fund (“HEERF”). Shore Beauty School (“Shore”) has applied to and been approved by the U.S. Department of Education for direct aid for its students under the Act. The Act provides Shore significant discretion in the way it allocates funding to its students, who must be Title IV financial aid eligible to receive funds. As of May 15, 2020, Shore had 86 enrolled students, 84 of whom have qualified for HEERF aid, amounting to an estimated \$1,259.69 per student.
